Professional Experience

Rob Fairbaugh has been a licensed certified public accountant since 1984. He has over twenty-five years experience in public accounting, providing accounting, tax, and consulting services to privately-held and family-owned businesses. Rob works closely with business owners as an external controller and management consultant, assisting them in a variety of ways, including:

- guidance for the day-to-day financial functions of the business
- assistance in obtaining financing when needed
- negotiations for buying and selling businesses
- strategic planning
- succession and estate planning

Rob's industry experience is focused primarily on manufacturing, wholesale/distribution, and professional services, including physician and dental practices.

Education

Grove City College, Grove City, Pennsylvania
Bachelor of Arts - Major in Accounting, 1982
